Dutch Treat Dinner at the Country Squire Restaurant

Drive in or fly in, to join us at The Country Squire for dinner and a safety seminar. You won't forget the food, the hospitality and the atmosphere of this legendary restaurant located in the heart of Duplin County.

7:00 - 7:55 p.m.

VFR Flight into IMC Attempted VFR flight into IMC continues to be one of the most frequent single causes of fatal accidents. While many of these accidents involved inexperienced noninstrument rated pilots, high-time commercial and ATP pilots were also included. David Masters, NCDOT tells you how to avoid this deadly scenario.

8:05 - 9:00 p.m.

Airspace, A Different Look Larry Lambert reviews the National Airspace System from a practical sense. A look at airspace from a pilot's perspective with an application to real in-flight situations that pilot's are likely to encounter. Larry combines his experience as a pilot, flight instructor and air traffic controller to teach airspace in a different way.
